Dear Avishai

Sorry for being late in replying to your request.

I discussed this with the PC Chairs, and they are fine with revising your paper as requested. So, please send me the revised version.

Yuji

Hi,

I am Avishai, the lead author of the paper 2023.findings-emnlp.647.

We would like to remove one author from the author list, who was mistakenly added to it (Artem Spector).

I understood from <https://aclanthology.org/info/corrections/> that we need permission for that.

Can you give us permission?

Thank you

Avishai
